I write me letters
on the night shift.

Dear Mark, Andy & Larry

Peace be upon who follow the guidance

I have received one big yellow envelope & a letter on March the 9th. The envelope dated March 7th & the letter dated March 3rd. I also received a letter from Mark dated March 1st telling me about Judge Floyd.

I would stop writing until I receive your respond to this letter b/c I am writing many letter befor (*before)* I get a respond, this is for me not to get confused.

I would like to thank Mark about what he said to Mohammad in his letter to me dated Feb 2nd. I am moved & touched beyond my ability to say it in English and I am sure Larry & Andy feel the same way. Also please do the same to Jarrallah. Remember he is first.

I also would like to say to Mark & Larry I am not ignoring them by not writting (*writing)* to them, but I am assuming they receive every letter I mail to Andy b/c he is closer and I believe it will reach you through Andy faster than if I wrote it directly to you.

The last thing, I would like to thank Andy & Cheryl for being so patient & generous in acomudating *(accommodating)* my needs. May the Lord make their life in harmony & love on the right path that will lead them to live together again in paradis (*paradise)* (heaven) for eternity, Ameen.

Sincerely yours,

Ali
