NARRATIVE:

At 1744 I placed F4 into yard. When leaving F vest and checking F-Spec Al-Marri he was talking to a inmate from F4 who was in the yard. I immediately removed the inmates from the yard.

I then contacted DCS Kester and informed him of what I suspect. That Al-Marri was attempting to give one of the inmates a phone number. Al-Marri was standing by the window of his cell that faces the yard writing on a piece of white paper that look to have 3 lines of writing on it. The paper was about 4-5" long and 2-3" wide. I asked permission to search his cell and was asked to do so if I had another officer.

I called GH Guard Station

NARRATIVE CONT.:

and officer Briggs came to assist.

We cuffed Al-Marri behind his back and cuffed him to the handle of FS-3 outer door. Central control stopped all movement in the East West corridor while we searched his cell. No paper resembling the one he was writting on was found.

After completing the search I went to question F4-7 Oceguera who was the inmate Al-Marri was talking to. Oceguera said that Al-Marri had given him a phone number yesterday to call for a Muslim Bible. But the number would no except a collect call. I asked Oceguera what the number was and he said 688-4650 or something like that. I called the # and it was to Argo's Appliance. When I looked for Religious Organizations in the yellow pages Islamic Center of Peoria # is 688-4605
