

## INSTRUCTIONS FOR ATTORNEYS FILING NEW CASES

These instructions are for use by attorneys who are wanting to file a new complaint and are paying via credit card.

**IMPORTANT NOTE:** Please avoid using your browser back button when navigating through case opening. Doing so can result in errors in the opening of your case. Before you begin, please be sure your complaint or notice of removal, civil cover sheet and any attachments are available in .pdf format and that your credit card information is at hand.

1. Login into CM/ECF system using your login and password, making sure to check the box regarding redaction rules.
2. Click on Civil in the blue tool bar located at the top of the page.
3. Click on Attorney Opening of Civil Cases.

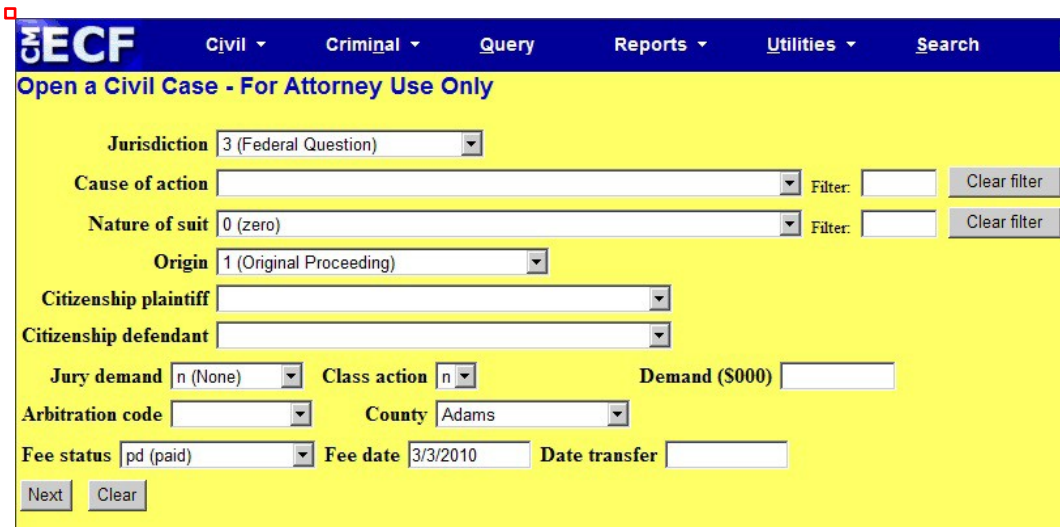

4. Choose correct office for filing from drop down box. Verify that the Case type is cv. (Note: If you are not sure which office is applicable, please refer to the Local Rules to determine correct location). **DO NOTHING ELSE ON THIS SCREEN.**

Click

5. You will now see a screen which asks for specific statistical information regarding your case. This information is the same information that you provide on your civil cover sheet. Please refer to your completed civil cover sheet for information. Selections can be made by clicking on the down arrow located at the end of each informational box. Informational boxes citizenship plaintiff/defendant, arbitration code and date transfer are optional boxes and may not be applicable to your case and can be left blank. ALL OTHER BOXES MUST BE FILLED IN. EVEN IF THE BOX DEFAULTED TO THE CORRECT SELECTION, PLEASE CLICK ON THAT SELECTION AGAIN TO LOCK IN THE INFORMATION. **NOTE: The county of the FIRST LISTED PLAINTIFF should be chosen from the drop down box in the county informational box.**

Once all appropriate boxes are complete, click 

6. You will now see a screen in which you may add parties. You will note that this screen is a split screen. Please pay special attention to which side of the screen you are working on, as you follow the steps below.

7. To add parties, type in plaintiffs first and last names in the appropriate box on the right side of your screen. Please use appropriate capitalization. Do not enter names in all CAPS. Do not add punctuation. Click Search. Please do not enter names into the database without first performing the search function. A Search Results box is displayed and below the box there are two buttons, one which says Select Party, and one which says Create New Party.

Click on 

8. The Party Information Screen now appears on the right side of your screen. Your plaintiff's name will be in the appropriate boxes in this screen. You will need to change the role of the party by hitting on the drop down box arrow, and selecting the correct role (in this case, plaintiff). **Enter no other information on this screen.** On the bottom of the screen is a button that says add party (you may have to use your scroll bar located on the far right hand side of your screen to be able to see the add party button).

Click on the add party **Add Party** button (located on the bottom right hand side of your screen), NOT the "add new party" button (located on the top left hand of your screen). You will note that if done correctly, your party has been added to the party tree on the left side of your screen. If you should click on the "add new party" button in error, your party will not be added to the party tree and you will need to re-enter the information on the right side of your screen. It is imperative to always check the party tree located on the left side of your screen to verify that your parties are being added. **DO NOT HIT YOUR BROWSER BACK BUTTON** in an attempt to correct errors.

You will note that your plaintiff's name has now been added to the left side.

The screenshot shows a web-based form for adding a party to a legal case. The interface is yellow. On the left side, there is a party tree with a root node 'Sam Johnson' and two sub-nodes: 'Corporate Parent or other affiliate' and 'Attorney'. The main form area contains the following fields: 'Last name' (Jones), 'First name' (Danny), 'Middle name', 'Generation', 'Title', 'Role' (a dropdown menu currently showing 'Defendant (dft.pty)', which is highlighted with a red box), 'Pro se' (No), 'Prisoner Id', 'Unit', 'Office', 'Address1', 'Address2', 'Address3', 'City', 'State', 'Zip', 'Country', 'Prison', 'Phone', 'Fax', 'E-mail', 'Party text', 'Start date' (4/13/2010), 'End date', 'Corporation' (no), and 'Notice' (yes). At the bottom right, there is a button labeled 'Add Party', which is also highlighted with a red box. At the top left, there is a button labeled 'Add New Party' which is crossed out with a red X. There is also a 'Create Case' button at the top center.

9. You are now ready to enter another party. To do this you once again go to the right side of your screen, and follow steps 7 and 8 above, making note to change your role types as appropriate. As you continue to add parties following steps 7 and 8 above, the names will appear on the left side of the screen also.
