Did you have a wonderful Christmas? How come you didn't stop here? You should next time you're in town. I would love to give you a hug!

Your Mom left a little while ago. We had a really nice, though brief, time

Hey, how's life treating you? Your Mom is going to be here in around 15 minutes. I'm so excited!

We'll be thinking of you next week at his wedding. He really wanted you two there but knew it was way too far for you to travel. It would have been much easier to have the wedding in Point but it's the bride's deal and I totally get it.

It was fun to celebrate the birthdays together. I had a lot of fun hauling you & Tom around to different places (Bay Beach, etc.). Did you & Michelle celebrate?

Happy Birthday Brendt! I hope you're having a wonderful day today. Too bad we can't all go to Shakeys and play video games & eat pizza like the old days. Good memories though . . .

Did you call your Mom for Mother's Day?

Deb Mitchell

Thursday, April 17, 2014 at 10:22pm CDT

Yup. I think he now realizes that alone is not the way to go. I'm so glad you have Michelle. You two seem to be such a good pairing. I know Tom told me that he really liked Michelle in HS, that she was a nice person. Your life is going to be so great and I couldn't be happier. You've always been my sweet little Brendt. We had some really wonderful times and it's so fun to see the awesome man you've become - I knew you had it in you! I'm going to take a shower and crawl into bed so I'll talk to you another time.

Anyway, I'm going to log off, I have to wake up at 5 tomorrow morning to get to campus early so I need to sleep

Yeah he has done a complete 180 compared to who he used to be. It looks like he's met more people in the past year than he has in the rest of his life

Deb Mitchell

I really like who he has become.

People change apparently. I never expected it either but after his trip out West he seemed like a whole different person. His life will be much better now that he realizes that being social is a good thing.

Seemed like it was out of left field

Brendt Christensen Thursday, April 17, 2014 at 10:14pm CDT

Yes, it was very surprising to me when I heard he was leaving the country to teach kids English

Deb Mitchell Thursday, April 17, 2014 at 10:14pm CDT

But now it seems to be . . . good for him.

Deb Mitchell Thursday, April 17, 2014 at 10:13pm CDT

Mine too. I'm really glad he put himself out there and is doing all that. I know it wasn't his comfort zone.

Brendt Christensen Thursday, April 17, 2014 at 10:12pm CDT

His statuses are the most interesting thing on my facebook feed by far, haha

Deb Mitchell Thursday, April 17, 2014 at 10:12pm CDT

I talked with Matt the other day. He sure is having a great experience!

Deb Mitchell Thursday, April 17, 2014 at 10:11pm CDT

He's like his Dad. Mike & I dated for 4 1/2 years before we got married.

Brendt Christensen Thursday, April 17, 2014 at 10:11pm CDT

Yeah, that's definitely long enough, I'd think

Deb Mitchell Thursday, April 17, 2014 at 10:10pm CDT

They've been together for 4 years so it's time.

I didn't realize they lived in separate cities. I'm glad he found someone, though.

Laura's awesome, by the way.

Deb Mitchell

Thursday, April 17, 2014 at 10:07pm CDT

It would be better if they live together

Deb Mitchell

Thursday, April 17, 2014 at 10:07pm CDT

He's good. He's going to get out of corporate and either go back to school or (hopefully) go to work for a non-profit in Minneapolis. He and Laura are getting married in July so the him-living-in-Phoenix and her-living-in-Mankato MN won't work out so well.

Thank you. It's been a while since I've talked to Tom. How's everything going with him?

Deb Mitchell

Thursday, April 17, 2014 at 10:02pm CDT

Oh, my gosh - in a couple of years you'll be old working stiffs like us. I'm really proud of you Brendt. You've worked really hard and it seems like all the right things are happening for you now. That's the way it's supposed to be. Do you ever talk to Tom?

Brendt Christensen

Thursday, April 17, 2014 at 10:01pm CDT

She's good too. She's in school for accounting right now...one more year left

Hi Brendt, Just talked to your mom and she told me things are going really well for you. I'm so glad! I hope you two have a wonderful Thanksgiving - it sounds like you have a lot to be thankful for but you've worked really hard for it so you deserve all good things. Love, Debbie

Happy birthday Brendt! I hope your day was really fun and relaxing. I have some really good memories of birthdays at Shakee's in Rib Mountain and can't believe how quickly the years have gone by. Good luck with your upcoming move and new adventures. Love, Deb

It doesn't matter how you got there or how long it took. What matters is you got there.

Thanks for reminding me about Mother's Day, it's something I never remember until the last minute. I'll mail out a card later today...I'm not sure if it'll get there in time but I'll be sure to call her as well. Thanks! I can't wait to get this next phase of my life started. It took me long enough but it's finally happening.

Hi Brendt, I just wanted to touch base with you regarding your Mom. She is settling in okay but hasn't heard a word from Andrea and Matt never talks to her. With Mother's Day coming on Sunday I thought if you could call her or send her a card it would mean a great deal to her, especially now. Her address is 46 E Jackson St Apt 5, Hartford WI 53027. I'm not telling her about this message. She always talks about you after she talks to you on the phone and I know how much she'd appreciate the contact. I'm so glad you're doing so well and I'm sure you're looking forward to the move. I'm very proud of the man you've become but you'll always be the special little boy that we all loved so much. Have a great life! Mike says to say hi. Deb
