BC: ...um, I can't really talk too much about it. There's evidence of stuff. Um, it's all circumstantial bullshit, I didn't do it.

EW: Yeah. I'm just wondering what they're basing all this on. I know you know, and you can't talk about it, I just - I'm so...

BC: I wish -

EW: Hmm

BC: I could tell the attorneys to allow you to see all the evidence and stuff, but that's such a slippery slope. I trust you, more than I trust anyone else actually. Like, you and dad are at the top of my list, actually, for trust.

EW: Ok.

BC: And then, Michelle would actually be third. Like I would trust you two more than anyone else but...I'll ask them -

EW: I don't know if I really want to know. I mean I do, but, um, I don't know if I trust myself, you know?

BC: If... ok, well then the answer's going to be no.
