BC: Brendt Christensen

TB: Terra Bullis

TB: It's 6:46 on Thursday, June 29<sup>th</sup>. We're at the benefit for the walk and Brendt has a thing of alcohol and he is drinking while he's here, so, I'm thinking I'm just gonna turn this on right now so that it's on while we walk. This is kind of ridiculous.

TB: Did they say anything?

BC: Hum?

TB: Did they say anything?

BC: [unintelligible]

TB: [unintelligible] they have a route planned.

BC: Hum?

TB: They have a route planned.

BC: Yeah, from where she works, to where she was uh picked up by that car. It's strange, right? [unintelligible] Hum.

TB: [unintelligible] on camera [unintelligible]?

BC: [unintelligible] interesting.

TB: Especially under these circumstances.

BC: Hum?

TB: Especially under these circumstances.

BC: Of course.

TB: [unintelligible] adrenaline [unintelligible] for you?  
BC: It is.  
TB: Yeah?  
BC: [unintelligible]  
TB: I was wondering about [unintelligible].  
BC: Hum? Just – [unintelligible]  
TB: Hum?  
BC: [unintelligible]  
TB: I know.  
BC: This –  
TB: Got to stay hydrated, right?  
BC: This is uh, interesting as well, isn't it?  
TB: That's not bad.  
BC: Oh no, it doesn't taste bad – I'm just saying it's like interesting [unintelligible] is what I mean. It's not like I'm experienced with this either – I haven't done this very often. I said it's not very good to do like that.  
TB: No.  
BC: I kind of got [unintelligible] so –  
TB: Does this mean you're trusting me?  
BC: Yeah – of course I am. It's because you're mine. By the end of this night you'll be [unintelligible] mine.  
TB: [unintelligible]  
BC: Hum?  
TB: [unintelligible]  
BC: Huh – you don't know what that means, do ya?  
TB: I don't know what that means, but I'll go with it.

BC: I actually didn't [unintelligible] the big difference between us is that I'm dominant and you're submissive – [unintelligible] that I think we're pretty alike – just uh – different paths to the same thing and I think [unintelligible] it.

TB: [unintelligible]

BC: I don't know – but yeah, just came to it a year or two it before you. [unintelligible]

TB: [unintelligible] I keep feeling like smiling?

BC: Hum?

TB: Why do I keep feeling like smiling?

BC: Maybe because you're happy? [unintelligible]

TB: [unintelligible] Like my new shirt?

BC: Is it?

TB: [unintelligible]

BC: I mean – it's [unintelligible], isn't it? I like it.

TB: I'm still a little self-conscience about it. This whole thing is a little bit more form fitting than...

BC: I think that's why you wanted to hold that bag. Hum –

TB: Maybe – [unintelligible] I wanted to be cute for you.

BC: You should see this.

TB: Huh?

BC: You should see this. [unintelligible] for a walk.

TB: We are going for a walk. I just wanted to be [unintelligible].

BC: [unintelligible] now, through chance, I'm not actually wearing my wedding ring today – it's in my pocket. It – when it gets water under it it kind of like, you know how your skin gets when you sit in the tub too long –

TB: Um hum.

BC: It's like that times ten – it's a little too tight on me still. So, it's...I mean I haven't worn it for 12 hours it still [unintelligible] looks like that so –

TB: [unintelligible]  
BC: [unintelligible] I recognize two of them. [unintelligible]  
TB: [unintelligible]  
BC: [unintelligible]  
TB: Huh?  
BC: [unintelligible]  
TB: [unintelligible]  
BC: [unintelligible]  
TB: [unintelligible]  
BC: Because of what this is. [unintelligible]  
TB: [unintelligible] think they [unintelligible]  
BC: No - it's [unintelligible] guys [unintelligible] I was thinkin' about [unintelligible]  
TB: [unintelligible]  
BC: No. Neither do I. [unintelligible] They're here because it's a [unintelligible] event regarding the case. [unintelligible] I haven't seen them yet though - [unintelligible] It's not like I could recognize all of them but I could probably recognize 10 to 15.  
TB: I wonder how many [unintelligible].  
BC: I say probably 20 to 30, but I had direct contact with 5 or 6.  
TB: I didn't know there were that many.  
BC: It's strange - they have an office on Country Fair Drive - in an unmarked building.  
TB: [unintelligible]  
BC: Um hum.  
TB: That's really close.  
BC: Yep. It's less than a mile away from me. It's by Schnucks.  
TB: That's so weird.

BC: It's a [unintelligible] building.

TB: [unintelligible]

BC: It's a [unintelligible] building – unmarked – you wouldn't know it unless you saw it – it's – they don't have a sign out front so I – there are three doors you have to go through to get to it [unintelligible] all over the outside. It is – it's uh – there's an FBI [unintelligible] here.

TB: I thought it was in Springfield.

BC: That's where one of them are – they came here for this. There are – there are offices in every major city, including here. [unintelligible] less than a mile away – it's – it's by Schnucks by my house. Strange, right? I didn't know about it.

TB: Huh?

BC: I didn't know about it.

TB: I doubt many people do.

BC: The only way you'd know about it is if they told you about it – like it's unmarked – the only way you'd know about it is, uh, by recognizing the type of car outside and from all the cameras. If you didn't explicitly look for those two things, no – you would never know because it isn't marked. It's so strange like – you can even tell the cars apart like – these cars like they don't have tinted windows – every single car in their parking lot – every window is tinted. The front is a little less tinted – but the sides – just look at the front passenger windows and stuff and they're tinted, right? Even –

TB: You can spot their cars [unintelligible]

BC: Oh easily – that's the thing. I can see their windows. See, it's like – you know how that car's tinted right? The passenger window isn't – no – that one too – no. You gotta look for every single window tinted except for maybe the front window. The style of car varied. Most of them were SUVs but some were coupes, some were Ford trucks, you know, but, yeah, the window tinting was the main thing and all – all of them were relatively new. I would bet –

TB: They're not driving an old [unintelligible] car.

BC: No exactly – the guys took me out to uh go to the place I was with the [unintelligible] was, uh, he was bragging about his car because it was new

– it was really nice – yeah – he was actually bragging about it and stuff. It was definitely [unintelligible]. But uh, I have a strong feeling they're still following me [unintelligible]

TB: Did you see them?

BC: I don't know.

TB: I mean why would they be following you?

BC: What else do they have?

TB: Souvenir.

BC: Souvenirs. What's that from? It's from a movie – oh no, I forgot to bring a movie, I was going to bring a movie over to your place.

TB: Ahhh.

BC: Have you ever seen Battle Royale?

TB: Don't think I have. [unintelligible]

BC: Yeah they're [unintelligible] new [unintelligible] the car. [unintelligible] I saw that earlier today. Which is good, obviously.

TB: [unintelligible]

BC: I just want to spend time with you [unintelligible]. A night that you'll remember.

TB: Huh?

BC: Right? A night that you'll kind of remember.

TB: Yeah [unintelligible]

BC: It will gone by the end of the night. [unintelligible] I bought it but then I – what the – I drank some of it earlier in the early afternoon but then I took a nap and I – well I'll be out tonight – had a 40 ounce [unintelligible] – apple cider – hard apple cider – it was so good.

TB: What kind?

BC: Angry Orchard. It was so –

TB: What kind of Angry Orchard?

BC: It was just the generic stuff with the angry tree on it.

TB: Oh. I like the [unintelligible].

BC: [Unintelligible] the gas station. You know, I love hard apple cider – it's so good.

TB: Have you ever had it on tap?

BC: No.

TB: It's really good on tap.

BC: Yeah?

TB: Like way better than anything else [unintelligible].

BC: Uh, I'm – I'm not ashamed to say that I love girlie drinks – I mean, they're good. You know? I like pretty much all types of hard alcohol except for straight clear liquor – that's pretty much the only hard liquor I don't like is straight clear liquor – everything else –

TB: [Unintelligible]

BC: Like I'll drink it, but I'm not gonna like it, you know?

TB: [Unintelligible]

BC: Yeah. It tastes like rubbing alcohol and smells like it too – like – outside of that [unintelligible] you know – you know when I was younger – 18, 19, 20 like I was like fuck that stuff I'll drink hard liquor – nah, just give me like some appletini or like some drink that was watered down and tasted good. Mike's Hard Lemonade is like the greatest things of all time – so good.

TB: So are there more people or less people than you thought there would be?

BC: Way more.

TB: More?

BC: I expected 50.

TB: I don't even know how many there are.

BC: [Unintelligible]

TB: [Unintelligible] Can you explain later?

BC: Yeah.

TB: Can I have [unintelligible]

BC: Yep.

TB: It's kind of [unintelligible]

BC: [unintelligible]

TB: Huh?

BC: [unintelligible] think [unintelligible] Not right now.

TB: I know not right now.

BC: [Unintelligible]

TB: What?

BC: Look at them.

TB: [unintelligible] You okay?

BC: Yeah.

TB: Please tell me [unintelligible]

BC: This is --. I can't talk right now -- I'm sorry.

TB: It's okay. We have all night.

BC: This is good [unintelligible] what I might mean by that.

TB: I think I have that [unintelligible] thing.

BC: I think it's good that you do.

TB: [Unintelligible]

BC: No.

TB: [unintelligible]

BC: [unintelligible]

TB: Yep. Enjoying your walk?

BC: Yeah. I am.

TB: [Unintelligible]

BC: [unintelligible]

TB: [Unintelligible]

BC: [unintelligible]

TB: Are we also going to the concert or are we [unintelligible]?  
BC: Going to the concert because that's also for me. [unintelligible]  
TB: Huh?  
BC: [Unintelligible] you can [unintelligible]  
TB: Huh?  
BC: This is between me and you.  
TB: I understand.  
BC: [Unintelligible] number [unintelligible]. [unintelligible] see that?  
TB: I'm sorry. I'm sorry – I'm being dense.  
BC: [unintelligible]  
TB: [unintelligible]  
BC: Thirteen.  
TB: [unintelligible]  
BC: Yeah.  
TB: [Unintelligible]  
BC: [unintelligible] ABC MSNBC CNN [unintelligible]  
TB: [Unintelligible]  
BC: [Unintelligible] You're the first person I've ever [unintelligible].  
TB: It's okay.  
BC: [unintelligible]  
TB: Hum?  
BC: [unintelligible]  
TB: [unintelligible]  
BC: [unintelligible] I don't feel like walking all [unintelligible] down  
[unintelligible] street.  
TB: [unintelligible] what?  
BC: [unintelligible]

TB: We're almost there.

BC: Um - they're goin' down to where she was taken which is like three blocks down. We can wait on the steps.

TB: [Unintelligible] Where are we going?

BC: Keep in mind I haven't admitted anything.

TB: Huh?

BC: Keep in mind I haven't admitted anything.

TB: [Unintelligible]

BC: Hum?

TB: [unintelligible]

BC: [Unintelligible] calling - their concert starts at like 7:30 and I don't feel like walking anymore.

TB: Okay - whatever you want.

BC: I just wanted to see how many people were here. [unintelligible] for me.

TB: It's a power trip?

BC: [unintelligible]

TB: Do you feel [unintelligible] that nobody knows?

BC: I know a lot.

TB: Huh?

BC: I know a lot.

TB: Like, I'm curious - to know what goes through your head.

BC: I'm having to [unintelligible] this [unintelligible]

TB: Hum?

BC: [unintelligible]

TB: Okay.

BC: [Unintelligible]

TB: Hum?

BC: I'm having to [unintelligible]  
TB: You're mumbling. I understand why.  
BC: [Unintelligible]  
TB: Hum?  
BC: [Unintelligible] They're just focused on me.  
TB: [unintelligible]  
BC: I've been perfect.  
TB: You're still perfect – you've done [unintelligible]  
BC: They saw me.  
TB: Huh?  
BC: They saw me. [unintelligible]  
TB: [Unintelligible]  
BC: [Unintelligible]  
TB: [Unintelligible] for the day. It's so fast [unintelligible]  
BC: Just remember I love you – the fact that I do.  
TB: [Unintelligible]  
BC: [unintelligible] know it's strange – there – there are conflicting interests.

BC: Brendt Christensen  
TB: Terra Bullis  
MC: Michelle Christensen

TB: They're already fucking closed.

BC: Hum?

TB: She already closed all the doors.

BC: That's fine.

TB: You're so - f -

BC: Let's regroup, okay?

TB: Sorry.

BC: No. Okay. It's okay, right? It's - okay we're here, right? Nothing can be done. So you're worried about nothing. We came to eat. [unintelligible]

TB: I just don't feel right. [unintelligible] know this is not how this was supposed to turn out.

BC: Okay. Eat this.

TB: Do I have to?

BC: Yes. It's jalapeño bread. It's really good - it's from my wife. It's good. Alright.

TB: [unintelligible] too much of a pansy to tell me.

BC: Hum?

TB: At least I don't have to worry about you thinking I'm too much of a pansy to tell me. I'm sorry. I'm just trying to find good things [unintelligible].

BC: Ignore it.

TB: Huh?

BC: Ignore it.

TB: Ignore you?

BC: Uh hum. [unintelligible]

TB: Wait, what?

BC: [Unintelligible] finding [unintelligible]

TB: What am I supposed to do?

BC: [Unintelligible]

TB: I'm trying.

BC: Just put it in your mouth. [unintelligible]

TB: No.

BC: [Unintelligible]

TB: [unintelligible]

BC: [unintelligible]It's okay sweetie [unintelligible]. You're good.  
[unintelligible] Take your time, I mean - [unintelligible] this is our night,  
okay - [unintelligible] it doesn't matter how long it takes.

TB: Yes, sir. Would you really let me?

BC: Do what?

TB: No, would - would you really let me?

BC: Hum?

TB: Would you really let me?

BC: What?

TB: [Unintelligible]

BC: [Unintelligible]

TB: Do things with you.

BC: You mean the things we were talking about? Yeah - yeah -  
[unintelligible].

TB: Do you always make them disappear?

BC: [unintelligible]

TB: And if they didn't it wouldn't work?

BC: Hum?

TB: If they didn't it wouldn't work?

BC: Yeah. [unintelligible] If it didn't, it wouldn't have happened, right?  
Because you won't have time to [unintelligible]

TB: I mean how did it fail?

BC: [unintelligible]

TB: You got away with it.

BC: Hum?

TB: You got away with it – how is that failing?

BC: I didn't get away with it yet. [unintelligible]

TB: Is that when you get your stuff back?

BC: [Unintelligible]

TB: Yingying's the only one that like has actually had a public profile.

BC: [Unintelligible]

TB: When did you know it wasn't good?

BC: [Unintelligible] experience. [unintelligible] are actually [unintelligible]  
and [unintelligible] think by a year, two, three, four, five years  
[unintelligible]

TB: You don't know what?

BC: You don't know what [unintelligible]

TB: Do you think they could randomly get you like three years later?

BC: Oh, of course.

TB: Has it ever happened?

BC: Yeah. [unintelligible] that match the little girl that [unintelligible]

TB: [Unintelligible]

BC: [Unintelligible] I don't know.

TB: [unintelligible] why they checked.

BC: [Unintelligible] Let's just say [unintelligible]

TB: I'm sorry. I promise I'm gonna try and keep that down.

BC: Hum?

TB: I promise I'm gonna try and keep that down. It's trying to come back up.

BC: [Unintelligible] Want me to call an Uber [unintelligible] go home?

BC: You know we'll be at [unintelligible] like [unintelligible]

TB: I can walk.

BC: [Unintelligible]

TB: Huh?

BC: [unintelligible]

TB: [unintelligible] side.

BC: I figured you were [unintelligible]

TB: I - I just don't wanna be by the road. I feel weird about the road. And I need to be on that side where I feel safe. [laughs] Funny, isn't it?

BC: Yeah.

TB: [unintelligible]

BC: It is.

TB: Okay, so now I know I'm fucked up.

BC: What's that make me?

TB: Huh?

BC: What does that make me? There are a thousand different things [unintelligible]

TB: I know, but like [unintelligible]. My version of safer is walking at night with a serial killer.

BC: Yeah. That's me.

TB: That's [unintelligible]

BC: [unintelligible] it's so strange [laughs] – it's so weird. I didn't know how [unintelligible] all these people there tonight – they want her home safe and it's [unintelligible] They have no idea what happened [laughing] – nobody knows what happened.

TB: Nobody will know what happened.

BC: Except for me. Hum?

TB: And nobody will know what happened.

BC: No – and not even you – like

TB: Nope.

BC: I am the only one [unintelligible]

TB: And you're the only one

BC: She was –

TB: you know, you're the only one that knows where she's at.

BC: She was valiant. She was.

TB: She was?

BC: [unintelligible] She [unintelligible]

TB: Did she fight?

BC: Uh huh. More than anyone else.

TB: Really?

BC: Yeah.

TB: A little Chinese girl?

BC: Uh huh. More than anyone else.

TB: Did she really have [unintelligible] English?

BC: Yeah.

TB: Did she say –

BC: She fought.

TB: did she say anything to you?

BC: Yeah. She fought more than anyone else I've ever met. [unintelligible]

TB: Did you have [unintelligible] sexy time?

BC: Uh hum.

TB: No?

BC: Yeah.

TB: Yeah.

BC: But I didn't orgasm. [unintelligible]

TB: You wanted to see her reaction?

BC: She fought more than anyone else I've ever [unintelligible]. She was stronger than anyone else [unintelligible] knock her out [unintelligible] quiet [unintelligible] give up. You'd be surprised [unintelligible]

TB: Hum?

BC: Like people are just starting out like if you wanna subdue your victim so you start - she wasn't able to be subdued I had to uh [unintelligible] agree - and have her agree that it was okay - what I was doing. She - she was stronger than any victim I've ever had.

TB: I wonder what Yingying means?

BC: Hum?

TB: I [unintelligible] what her name means.

BC: Yingying?

TB: Yeah.

BC: I don't know.

TB: I haven't looked it up - but usually they mean something.

BC: Yeah. [unintelligible]

TB: [Unintelligible]

BC: And at that moment I had to decide [unintelligible] going to - literally knock her out or just kind of let her hands in front of her. I decided that was easier to just let her hands be in front of her [unintelligible]. She was a lot stronger, mentally, than anyone I've ever been with - surprising. It was shocking truly.

TB: Stronger than me?

BC: Hum?

TB: Stronger than me or do I not count?

BC: That's impossible. It's something that can't be told until it happens.

TB: [Unintelligible]

BC: Yeah, but I don't want you to [unintelligible]

TB: I feel like I should be – what's the normal reaction in my situation – like what should I be feeling because I – I don't think I'm feeling it.

BC: You shouldn't be [unintelligible]. It's strange.

TB: Maybe I have some sort of mental disorder.

BC: Yeah. It's –

TB: I wonder if my Stockholm Syndrome has – like legitimately did something to my brain.

BC: Maybe.

TB: I – can I tell you something?

BC: Sure.

TB: The man that tortured and raped me [unintelligible]

BC: Uh huh.

TB: Multiple times.

BC: Yeah.

TB: I – I think [unintelligible] feelings for him [unintelligible]. Does that weird you out?

BC: Not really. It's [unintelligible]

TB: I – I stalk him a little bit when I'm like on Facebook and social media – he's working for some big company [unintelligible]. You're the different kind though. I don't think he'd ever have the balls to do what you did.

BC: [unintelligible]

TB: Hum?

BC: [Unintelligible]

TB: [Unintelligible]

BC: [Unintelligible] I hope so.

TB: I just wanna [unintelligible] like –

BC: [unintelligible] do live a double life.

TB: Huh?

BC: [unintelligible] do live a double life [unintelligible]. I also wanna do all these things. I really do. [unintelligible].

TB: You think there's a number that will be enough?

BC: No. When I think about everything's that's happened – when I think about this most recent thing that's happened to Michelle [unintelligible] it's hard for me to think about – I – I can't even describe my emotions – [unintelligible] I still wanna do it – it's just – my legacy –

TB: I thought Yingying was your legacy.

BC: Hum?

TB: I thought Yingying [unintelligible]

BC: She is the only – let's cross – for these [unintelligible] Yingying –

TB: [Unintelligible] that side goes out.

BC: Huh?

TB: That side goes out, this side goes in.

BC: This is where I work – that's [unintelligible]

TB: Okay. I don't know [unintelligible]

BC: This is – where everything is – we're gonna go past [unintelligible] and Green Street and find somewhere to eat, if possible. Yingying is the only person that has produced evidence that leads back to me. Number 13. I've been at this since I was 19.

TB: Did you follow the other 12 after you?

BC: [Unintelligible]

TB: Huh?

BC: Not much of a trace – I don't know their names.

TB: I mean like were they all girls?

BC: Yeah – I don't know their names. I really don't.

TB: You what?

BC: I don't know their names.

TB: You don't know their names? Was it all here or was some in –

BC: No, it's – [unintelligible] back to where I was born in Stevens Point.

TB: That's crazy.

BC: [Unintelligible]

TB: If it's not all in one place then [unintelligible] difficult to track.

BC: The first time. [unintelligible] but [unintelligible] but

TB: I mean but how would they catch you?

BC: [Unintelligible]

TB: What would you define caught? They've already questioned you.

BC: They have the bat that I hit her head with.

TB: Oh, gee.

BC: She – she was resilient – truly resilient. I tried to choke her to death but she didn't. [unintelligible] her neck and she [unintelligible] die. She was – I couldn't believe it – like she just didn't die. It was unbelievable like – supernatural almost how she just didn't give up.

TB: Chinese strength.

BC: [unintelligible] just –

TB: Was she your first Chinese girl?

BC: Hum?

TB: Was she your first Chinese girl?

BC: No. [unintelligible] because she was supernatural. I don't know how to describe it – just she didn't die.

TB: She fought until she couldn't?

BC: She was beyond that. I choked her for – must have been 10 minutes – with my...with my hands then I released her [unintelligible] her breath – she [unintelligible] she did – I couldn't believe it that she was still alive – so I carried her into my bathtub. I got the bat and I hit her on the head as hard as I could and it broke her head open [unintelligible]

TB: When her – when her head broke open, is that – is that when she –

BC: She –

TB: She was far enough away –

BC: She uh – didn't know – at that point I wasn't sure if she was dead or not so I had a knife and I stabbed her in the neck and she grabbed for it [unintelligible] fucking neck [unintelligible] what killed her – the knife [unintelligible]

TB: After her head was actually split open –

BC: I have –

TB: she was able to grab?

BC: I have no – [unintelligible] I've seen videos – some people will [unintelligible] or grab for things like after you think they're dead – but [unintelligible] it was unbelievable like she was just . . . [unintelligible] so I - I chopped her head off and I said that was the end of it, right? Like that was actually the end of like –

TB: Yeah.

BC: no – uh uh – none of this fuckin' zombie shit, she was done – but it was [unintelligible] it's stayed with me throughout the entire thing like – holy fuckin' shit – what the fuck am I dealing with like – [unintelligible] saying [unintelligible] what the hell like – wow. People have – through my – through my experience, people have different amounts of resilience – they really do [unintelligible] one [unintelligible]

TB: Were – were some of them really easy?

BC: Some people were gone in one punch, some people were gone in 10. [unintelligible] Some people like – okay so you imagine [unintelligible]

TB: I'm just checking in with Tommie.

BC: Yeah. It's – it's weird like – it's one of the coolest parts [unintelligible] like [unintelligible] have no idea [unintelligible]

TB: He's worried about me – [unintelligible] call him.

BC: Yeah [unintelligible]. There's a Subway right here that we can go into [unintelligible].

TB: I'm here daddy – I'm sorry – I didn't mean to worry you. We were just eating and talking, um, I think at some point soon I'm gonna go home but I wanted to let you know that I'm okay – I – I know you sounded worried and there were exclamation marks. You're welcome. I love you daddy – I'm sorry I made you angry – he won't come over. I love you too daddy. Bye daddy.

BC: [Unintelligible]

TB: He – he was just worried – he had exclamation marks.

BC: Can we go anywhere to eat?

TB: He's pretty upset.

BC: So you wanna go?

TB: I don't want to go I just – I'm worried that he's gonna like freak out and be really angry at me and I don't want him to suspect anything – I can't tell him that we're having an interesting and thought-provoking conversation that I shouldn't be enjoying.

BC: [unintelligible]

TB: [unintelligible]

BC: I'm the only person in this entire city that [unintelligible] like – I – I am the one – I am

TB: You said how many years since there's been anybody better than you?

BC: Hum?

TB: How many years since there's been anybody better than you?

BC: Better at this?

TB: Or at like – not better, but like, more [unintelligible] or more successful – when you were texting me?

BC: It's tough to say. [unintelligible]

TB: Didn't you say it was like 30 or 40 years since there was someone to this level?

BC: Okay.

TB: We can stop talking about stuff – I know –

BC: No, I want to talk about it. It's –

TB: Is it hard to hold in?

BC: I've wanted to talk about this with someone so much – I've [unintelligible] it in for so long – okay. The last person I would consider at my level that actually did anything was Ted Bundy. He was caught in the 80s – I told you I'm on victim number 13 counting Yingying – it's been so long – I've been getting bored – it's part of the reason –

TB: Sounds like Yingying didn't bore you.

BC: Hum?

TB: Sounds like Yingying didn't bore you.

BC: Uh hum.

TB: She bored you?

BC: Yeah. She did.

TB: Why did she bore you? I thought [unintelligible]

BC: [unintelligible]

TB: How – how many hours after you picked her up did you say?

BC: After she got in the car?

TB: Yeah.

BC: A few minutes. It was – it was pretty short – 20 minutes, maybe?

TB: 20 minutes?

BC: There was nothin' to her. I [unintelligible] her [unintelligible] off.

TB: [Unintelligible] I thought that was

BC: Wanna go to Potbellies?

TB: Whatever you want.

BC: I'm just hungry.

TB: That's fine – I have – I probably can't eat anything more or else I really will throw up. I had some acid bubble up and then swallowed it – multiple times. 9 pm – 11am to 9pm – they're closed. It's a little after 9, I think.

BC: It's 9:34. [unintelligible]

TB: [Unintelligible]

BC: I cut her clothes off and just started doin' stuff to her and – there's nothin' there – there was really nothin' there like I didn't give a shit – like for real [unintelligible] I just didn't care so I stopped – like –

TB: It wasn't like sexy at all or anything like that?

BC: No, I just didn't care. There was nothing there.

TB: [unintelligible]

BC: Just – it's just [unintelligible] I didn't even care.

TB: So I'd be a really bad person to decide to do that to.

BC: You're too big.

TB: I'm too big?

BC: I mean no offense – but you're – you're just –

TB: No, I – I understand.

BC: The thing about it – just –

TB: [Unintelligible] it's not just muscle mass but everything.

BC: It's about getting rid of 100 pounds versus 150 pounds – that's lots of extra shit to get rid of, you know what I mean?

TB: I've got too much shit to get rid of.

BC: She just –

TB: I'm indisposable.

BC: Closed.

TB: Yep. I think everywhere is closed.

BC: [Unintelligible] Let's uh [unintelligible] walk to your place which is okay.

TB: You can't come in, daddy will throw a fit.

BC: He needs to get over himself.

TB: He's – he'll get over it – it's just – it's been a rough day.

BC: Yeah, I know.

TB: I mean like his – both of his girls are having some problems so – I mean that – we'll work it out – we always do, it's just –

BC: I know. But this [unintelligible] walking home. [unintelligible] I have to walk two fucking miles home, you know what I mean?

TB: Yeah.

BC: Like, come on dude –

TB: I know –

BC: Get over yourself and just let me come in and sleep – what the fuck man – I've been there like 10 times – we just –

TB: [Unintelligible]

BC: holy shit.

TB: He's just – at this point it's not as much you, it's just a punishment for me for –

BC: Yeah it's –

TB: talking back to Ash –

BC: It's fuckin' stupid though.

TB: Because I told her that she wasn't going to boss me around and that was not okay apparently. I could call for an Uber.

BC: Let's – swallow your pride – speak – sit down and be like please let Brendt sleep at your place.

TB: I can't today.

BC: Just be like – why not?

TB: Because of what happened earlier – this has been the worst day ever for our – I don't want him to go away – if I don't have him like I won't have anywhere to live. You have a beetle on your shirt.

BC: Oh shit. That's huge.

TB: Sorry, yeah – that’s why I took it off for you. If I – like  
BC: It’s okay. I’ll be okay.  
TB: I – I promise – I’m not like angry at you or anything – I just –  
BC: What time is it?  
TB: I could give you money for an Uber.  
BC: No, it’s not that – I’ll call Michelle.  
TB: I can walk or something or take busses or... I mean I could always call  
Tommie.  
BC: No, don’t worry about it. I will deal with this.  
TB: You want me to figure out a [unintelligible] route for me?  
BC: No, I’ll – Michelle will take us home. She’ll call me back. Okay. Let’s  
ignore it for now.  
TB: Did you see – see what I did to the police [unintelligible] earlier?  
BC: No. I had a –  
TB: You didn’t see it?  
BC: I kinda did but not really.  
TB: I ripped out the little section –  
BC: Yeah.  
TB: the money  
BC: Yeah.  
TB: section  
BC: Did you?  
TB: and I tore it into little bitty pieces – where it said like the amounts for  
the reward –  
BC: Sure, for the [unintelligible]  
TB: I was – that’s what I was trying to show you.  
BC: Yeah?

TB: All the – the amounts for the rewards I ripped out of the center – I ripped them out of the center and I tore them up into little tiny squares and I ate it.

BC: [laughs] Did you?

TB: That's how I feel about that shit. I was trying to show you like the little square with the money – I like ripped up the rewards and I ate it.

BC: That's so strange. I hope [unintelligible] it tomorrow.

TB: [unintelligible] what?

BC: It's the biggest reward.

TB: I know what it is – I've been looking.

BC: It's the biggest reward Crimestoppers has ever had – cause it's –

TB: And you think I care about that? So – so okay – here's the thing – how on earth am I going to replace my [unintelligible]...something special?

BC: Yeah.

TB: I can't buy one of those – even if I had – even if I had all the money in the world – like – I can't buy one of those especially one that's really good at it.

BC: [Unintelligible]

TB: Huh?

BC: I am [unintelligible] shouldn't – it's –

TB: You're irreplaceable.

BC: I really am. Right? Many have tried at this – like for real.

TB: Many have tried what?

BC: To kill. Really have – I've noticed.

TB: Many I – I can't understand you, you're like slurring your words a little bit.

BC: Many have tried what I am doing right now – to be who I am. To be the next – they have all failed.

TB: Do you think that you might be the next successful serial killer?

BC: I already am. I already am.

TB: Is 13 really a big number? I don't know much about numbers.

BC: It's bigger than Jeffrey Dahmer. Bigger than John Wayne Gacy. I have caught – I have caught the nation's attention apparently. I didn't want to but I still did. This is [unintelligible] actually wasn't my intention, but I did. It happened. It –

TB: Can we not walk on grass please?

BC: Yeah, so.

TB: Sorry, these sandals are expensive and it's really hard to find a size 11 sparkly thing.

BC: Uh huh. It's – I didn't want this to happen, but it did. I really didn't. I wanted to continue what I was doing with you and Michelle.

TB: Kitty cat.

BC: I – [unintelligible] I mean it when I say I have a double life.

TB: I know you do.

BC: It's so strange – just – you know what we've had together – I want to continue my work – I don't even know what that means. Because I don't have a concrete plan for it. I just – I am

TB: You'll have to

BC: more successful

TB: move at some point.

BC: I already have. Just –

TB: I don't want her to get [unintelligible]

BC: [unintelligible] will at some point. [unintelligible]

TB: Me neither.

BC: I'm not ready. I haven't discovered what I want to discover. I don't [unintelligible] going after but [unintelligible]

TB: Am I – am I at least a blip in your radar?

BC: You're more than a blip. You're the only person I've ever told about this. You really are. I mean that.

TB: Why tell me?

BC: I don't know – just I wanted to.

TB: I wanted you to – I knew, but I wasn't gonna say anything. I didn't want to make you feel like you were under pressure or anything to – I mean why I would I do that? That's silly. I knew in my heart and I know that's like the most smarmy thing to say, but I knew.

BC: I know. Just –

TB: It was probably good you didn't tell me right away cause I needed some time – [unintelligible] easing myself into the idea, because it still seems, for someone that's mildly normal – it's still a lot, but I don't think –

BC: It's – it's so strange to think about – it really is.

TB: What is?

BC: Just everything like – like I'm the most successful person who has done this in the past 30 years. I really am.

TB: [unintelligible]

BC: [Unintelligible] Just –

TB: It's okay. [unintelligible]

BC: [Unintelligible] person I work for [unintelligible] You saw the people there. They thanked me for being there. Like what the hell man. Like just think about that. Just – just think

TB: Just think that's good –

BC: about that. Like – no – I was the one – like what the fuck? They thanked me – what the hell was that, you know, like [laughing] it's so weird.

TB: They have no clue.

BC: No, they don't and that that –

TB: What do you think they – they'd do if they knew you were the one that killed her?

BC: They would run away from me. They would be terrified. Like for real, they would be absolutely terrified.

TB: Am I supposed to be terrified of you?

BC: No, because you're –

TB: Should we try at the other light?

BC: Hey sweetie – um – we're at a park and we don't have a way home because you have the only car. Is it possible for you to pick us up? Um, Springfield and Third by that gigantic park [unintelligible] basketball. Springfield and Third by that gigantic park that looks really nice – before campus. Can you hear me now? Just drive down Springfield to the East. You'll find us – it's not that far – it's before campus, okay? Can you hear me now? Third. It's the gigantic park. It's before campus. Yes. We are before campus. It's not that far, okay? Thank you. Bye sweetie.

TB: Is she mad?

BC: No she's [unintelligible]. It's weird – like –

TB: I need to sit cross-legged because I feel funny.

BC: [Unintelligible] Like –

TB: You classify yourself as the most dangerous person in 200 miles?

BC: Yeah.

TB: Depends on who you are? I don't think you'd help – hurt Michelle or I.

BC: No. You're safe. And I mean that. You're – you are very safe. You are.

TB: Unless for some reason I'm a complete idiot and say something to somebody and then I'm not safe.

BC: That's true.

TB: I know that. You know how I feel about confrontation – you think that's – there's no way –

BC: I will – I trust you – that's – you're the only person I've ever told. I tried one night when I was super drunk, I over-exaggerated and Michelle almost divorced me. When the FBI told her what I might have done, by the way, it was true what they told her, she almost divorced me.

TB: So wait, the stuff that – the stuff that she knows that she thinks was just your drunk rambling is true?

BC: More or less.

TB: How much of it?

BC: A lot of it. Yingying is gone. [unintelligible] I won't tell you where she is, I won't tell anyone where she is. She's [unintelligible]

TB: I feel like I don't - if I knew where she was, I would freak out - not that I would freak out, but -

BC: No, she -

TB: I don't really want to know.

BC: She's gone.

TB: Wait - do you even know if she is still where she was? She's probably moved.

BC: I'm not gonna tell you [unintelligible]

TB: That's fine -

BC: I mean -

TB: you don't have to tell me about any of that.

BC: The FBI has looked for her. The police and FBI don't know where she is. I am apparently very good at this.

TB: You're very intelligent.

BC: They tried to look for her - I think the reason they don't know where she is is because they didn't know [unintelligible] looking for. I like think about it - like they were going after missing [unintelligible]

TB: It just makes me more attracted to you and it's sick and twisted but -

BC: She is - she's gone. [unintelligible]

TB: Yeah - that was - that was - I thought for a second I was like um -

BC: It - no - she's -

TB: She's in the Camaro isn't she?

BC: Yeah.

TB: Will I fit in the Camaro?

BC: Yeah - I'll go in the back, you go in the front. It's just uh, yeah. They will never find her. Because I will never tell where [unintelligible]. They'll never find her. The family, you know, [unintelligible] they won't leave until she's found - until they can recover [unintelligible]. They are gonna

leave empty-handed because [unintelligible] no one will ever know where she is. The FBI who have a GPS in the car will never [unintelligible] I was able to do this within hours [unintelligible] She's gone, forever. Even you – serious – would never [unintelligible] and that is apparently my expertise. I can do this –

TB: [unintelligible]

BC: within hours. It's – it's a weird thing to be really good at, but it's true.

TB: Is that me or you?

BC: Hum?

TB: Is that me or you?

BC: What do you mean?

TB: I felt a buzzing.

BC: That's me. I need to [unintelligible] Like – out of all the things to be good at, this is like – like what the hell – [unintelligible].

BC: Kitty – that cat followed us – and he's running home.

TB: [laughing]

BC: Like no – no one will – no one will ever know. There she is. Just say we couldn't get a bus home. Let's just say that, okay – just stick to that.

TB: You say whatever you want. I won't say anything.

BC: We looked at the buses and they couldn't – it was

TB: Okay.

BC: it was so ridiculous, okay? Let me get in first. We looked at the bus [unintelligible].

MC: [unintelligible]

BC: Hum?

MC: You got lucky there wasn't –

BC: Hum?

MC: You got lucky there wasn't [unintelligible] because I couldn't work out tonight.

BC: Oh, you didn't?

MC: No.

TB: Thank you.

MC: Yeah, no problem.

BC: We went to a weird [unintelligible] and then it was like we were kind of stranded downtown. Like - the buses after like 7 or 8 were just so horrible [unintelligible] our place.

TB: Thank you for picking us up.

MC: Yeah, no problem.

TB: Sorry for the trouble.

MC: It's okay.

BC: Do you know where she lives?

MC: Uh?

TB: I can explain, um, I'm on White Street - um - a little -

BC: Go to Prospect and turn right.

MC: Oh, okay.

TB: Yeah, thank you because I'm really bad at the directions thing.

MC: I - I remember.

BC: Go to Prospect and turn right. It's really easy.

TB: I know - I'm direction challenged. That is not where my intelligence lies.

MC: Alright person - I don't know what you're doing but you could just be going right now. Yeah.

BC: How was your night, sweetie?

MC: Um, it was okay.

BC: Nobody knows who I'm talking to when I say sweetie.

MC: I assumed that you were talking to me.

BC: Yeah.

TB: I mean it would be like really random if he was asking me how my night was because the whole night I was with him.

BC: Cupcake? How was your night, cupcake?

TB: Don't tell me all your secret names.

BC: Secret – I've told you that.

TB: That's true. I've never had a name before – not like that.

BC: I have been very clear with your names – both of you. I will never call anyone but Michelle cupcake ever.

TB: That's okay. I'm not sure I could handle –

BC: [Unintelligible]

TB: I'm not sure I could handle that. I'm not a cupcake. I might be fluffy but I'm not a cupcake. If someone calls me a cupcake I'd be like excuse me, what are you saying?

BC: Please turn the a/c on – thank you.

TB: You know Brendt's gonna die of the humid – oh he would die in our house – they keep turning the air off – they're like well baby doesn't like it when it's cold – I'm just like put a fucking blanket on her.

MC: Isn't that the purpose of [unintelligible]

TB: Yeah.

TB: Yep. But the – the world revolves around baby right now and I love that they don't call her her name – they just call her baby.

BC: I didn't even know the kid's name.

TB: Jade.

BC: Jade?

TB: She's freakin' adorable but I just – yeah – I'm not a kid person, but she is really cute and as far as babies go, she is cute.

BC: I don't interact with her at all.

TB: I don't either and that's by choice.

BC: Yeah.

TB: Like I told them that I don't want parental responsibilities because I know that what would happen is I would end up being stuck with her, but you have to admit, she's cute.

BC: It's peeling off in the back.

MC: It's peel - it's actually peeling off?

BC: Yeah, I - I peeled off -

MC: Oh God honey, why?

BC: It smells horrible.

MC: Oh honey - what the fuck is wrong with you?

TB: Smells like [unintelligible] fart.

MC: What the fuck is wrong with you?

BC: You'll thank me later.

MC: No I won't because honey -

TB: The next street turn right.

MC: Honey - honey - I have to smell this tomorrow -

BC: Turn right here - here - here - here. Ugh -

MC: God, you're a fucking idiot - no -

BC: Someone open the window. Bunny open the window.

MC: Yeah, I can't open my fuckin' window.

TB: How does it open?

BC: Any of the buttons. Any. Like -

TB: Any buttons, okay.

MC: Good fucking God, honey. I am so pissed at you right now.

BC: Close it - close it - you're good - you're good.

TB: I'm sorry, I'm trying to help.

BC: Turn right at the stop sign.

MC: Turn right?

BC: Yeah.

TB: No not at this stop – wait – what?

MC: This is White Street. Turn right.

TB: Okay.

BC: Yeah.

TB: Yeah.

BC: Where the fuck are we?

TB: We're not – we're not – what the hell? No we're not –

MC: I don't think this is –

TB: We're not close enough

MC: I think I'm supposed to be

TB: I'm sorry –

MC: turning left.

TB: Yes.

MC: Okay, are you drunk?

TB: Yes.

BC: A little, but I was peeling off shit.

MC: I am so mad at you right now.

BC: I was peeling –

MC: I really no – no.

BC: I still smell it.

MC: No – no – I am really mad at you right now. Stop talking.

BC: Okay. Stop. There's a sign. This is uh – [unintelligible] Street so keep going.

TB: We're – we're close – I'm right after Prospect, right?

BC: I thought that was Prospect.

TB: Brendt you need to calm down a little bit. Please.

BC: There's a stop sign, stop for this. Keep going. I have no idea where we are.

TB: I know where we are, don't worry.

BC: We walked here yesterday – or the day before.

TB: It wasn't yesterday – it wasn't yesterday.

BC: See, here's Prospect – it's the one with the lights – turn left.

TB: You don't even have to go on the right side, you can drop me off on this side of the road.

BC: And I will sit in the front.

TB: Or you can stay back there.

BC: No. It's uncomfortable back here.

TB: Thank you for taking me home.

MC: You're welcome. Have a good night.

TB: You too. [unintelligible]

TB: It's 10:01 and I hope I got at least some of that.

[End of Recording]
