

Brendt new

I mentioned getting some liquor tonight and she told me to never mention it ever again.

I want to share my feelings with her but i can't.

I get that other people are affected

If this goes south

Everyone dels with something shitty

I go to prison for fucking life

Fuck her feelings.

Wait.. what?

GOVERNMENT EXHIBIT

Brendt new

Wait.. what?

What's going on?

I'm here..

I promise I will always listen, alcohol or not. I'm worried about you. You're not alone ok?

You cannot tell this to anyone. Literally no one but Michelle and i

Tell what?

I was the one who picked that girl up

I dropped her off shortly after

Brendt new

I dropped her off shortly after

I didn't do anything wrong

But she is missing and i am officially the last person who saw her

They took my car. They took our computers

I understand why you're frightened..

They haven't found her

If they get desperate

I'll delete this conversation. I believe

Brendt new

I'll delete this conversation. I believe you.

I am the last person.

Why did you pick her up?

Michelle told them everything she knows about me everything.

She looked like she needed help

And she did

Was she lost?

They know all my secrets.

Brendt new

She was late for something

Michelle loses a husband if this goes wrong

I will literally lose my life.

No matter what, I'll be here..

You will not lose me.

I know you will kitten.

I don't think they can put it in you without hard evidence

I mean.. you let her out somewhere but thee  
were no cameras or

Brendt new

I mean.. you let her out somewhere but there were no cameras or anything to show that part?

This is probably the biggest case in Illinois

It has been two weeks

I know..

They want the chief of police to resign

They will get desperate

What?!

This is a very political case. It is national news

Brendt new

But you can't be sent to jail without evidence.. I mean.. seriously..

Don't you have to have a trial and all that?

They haven't charged me with anything.

Bit they still have me shit and no suspects.

See, they have nothing on you...

And are still putting posters of my car everywhere.

We wont be able to sell it.

Brendt new

We wont be able to sell it.

I bet you could in a different city or something..

Maybe.

Michelle told them everything.

Everything you know, they know.

If they actually thought you did it wouldn't they have found something?

I would think so, but they still have my shit

Brendt new.

I would think so, but they still have my shit

And they followed for days.

After that first night she told me she was convinced i did it

Wait, she thinks you did it?

Probably not anymore.

She did right away.

She wouldn't be alone with me.

Until two nights ago she wouldn't sleep in the same bed as me

Brendt new

Until two nights ago she wouldn't sleep in the same bed as me

But she is now at least?

She put shit in front of the door so it would make noise if i went in

She is now.

Oh Brendt.. I'm so sorry..

You told them you dropped her off and they didn't believe you?

I have no idea what they think now.

Brendt new

I have no idea what they think now.

Do they know everything you told me?

Yeah

I took the FBI out Saturday to where I dropped her off.

I am trying to help

Lawyers told me to say no more.

Michelle is in a tough place and I am trying to support her

Was it a public place? Weren't there people?

Brendt new

Was it a public place?  
Weren't there people?

I can only imagine..

She is not really  
supporting me.

I'm committed to do  
everything I can to  
support you

I just want to forget and  
drink for a night

Maybe sometime next  
week..

I won't tell anyone in the  
house any of this

Tommie has already

Brendt new

I just want to forget and drink for a night

Maybe sometime next week..

I won't tell anyone in the house any of this

Tommie has already been thinking of letting you in my room.

Okay

I want to provide some kind of comfort through all of this mess..

You are

Brendt new

I want to provide some kind of comfort through all of this mess..

You are

I'm trying to make sure someone does..

Im gonna lie down and listen to agallochs album the mantle

I recommend it

Ok.. I'm here if you need me ok? I'll try to keep my phone nearby. I might go swimming a bit later but I'll try to have my phone on loud
